

National Digital Literacy Programme (NDLP) Briefing by Head of Department, ICT

This deck of slides will be available at

<https://www.navalbasesec.moe.edu.sg/>

The National Digital Literacy Programme (NDLP)

Aims:

- 1) Make digital learning inclusive
- 2) Strengthen students' digital literacy and acquire digital skills

The Personal Learning Device

- 3) Every secondary school student will own a school-prescribed personal learning device (PLD)
- 4) Students may use funds from their Edusave Account to pay for the PLD

Home-Based Learning Day

- 5) Platform to support blended learning

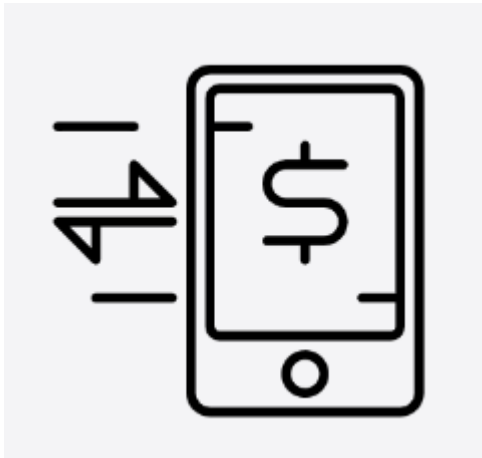

Personalised Learning Environment

- Support the Development of Digital Literacy
- Support Self-Directed and Collaborative Learning
- Enhance Teaching and Learning

Device & Funding Information

Personal Learning Device (NBSS)

Funding

(for Singapore Citizen)**

*Largely sufficient for vast majority
of students*

Financial Assistance

*For Singapore Citizen Students
(including those on FAS),
with $GHI \leq \$4,400$ or $PCI \leq \$1,100$*

Check your Edusave balance: 6260 0777

PLD Bundle

Enhanced Device Bundle

Your child's/ward's PLD will come with the **Enhanced Device Bundle** which includes:

- 4-year warranty
- 4-year insurance (which includes 2 repairs or 1 replacement claim)

Please note that the price of the PLD Bundle may appear to be higher than similar models on the retail market as the price of those devices usually does not include extended warranty and insurance coverage.

Repairs and Replacements

Please Take Note

Please take note that for repairs and replacements, please **approach the school for consultations first** as some services will have to be handled by Apple directly, while other services will be with the appointed vendor.

Cyber Wellness

Cyber Wellness Education through CCE & school programmes

To develop students to be **respectful, safe, and responsible users of technology**.

The broad topics covered in Cyber Wellness lessons are:

- Cyber Use
- Cyber Identity
- Cyber Relationships
- Cyber Citizenship
- Cyber Ethics

Partnership with Parents

**Guide your
child to use
technology
effectively for
learning.**

**Protect your
child from
online dangers
and teach them
to respect
others online.**

**Guide your
child to use the
device in a
balanced and
productive
manner.**

Additional Resources for Parents

To support you in keeping your child/ward safe online, you may refer to these additional resources:

- Parent Handbooks (I) and (II) on Learning with a Personal Learning Device (shared by the school)
- Parent Kit on Cyber Wellness for Your Child (<https://go.gov.sg/moe-cyber-wellness>)
- Parent Kit on Raising a Digitally Smart Child (<https://go.gov.sg/moe-raising-a-digitally-smart-child>)
- Parenting with MOE: Instagram Live session on Raising Digitally Smart Kids (<https://go.gov.sg/iglive-raising-digitally-smart-kids>)
- Schoolbag article 'Keeping our teens safe online' (<https://www.schoolbag.edu.sg/story/keeping-our-teens-safe-online>)
- MOE Cyber Wellness Programme (<https://www.moe.gov.sg/education-in-sg/our-programmes/cyber-wellness>)
- Media Literacy Council's Resources for Parents (<https://go.gov.sg/better-internet-sg>)
- National Library's Learning & Information Literacy Resources (<https://sure.nlb.gov.sg/>)
- TOUCH Community Services (<https://help123.sg>)

Role of Device Management Application (DMA)

Device Management Application (DMA)

*Safe and effective
use of devices
(including DMA)*

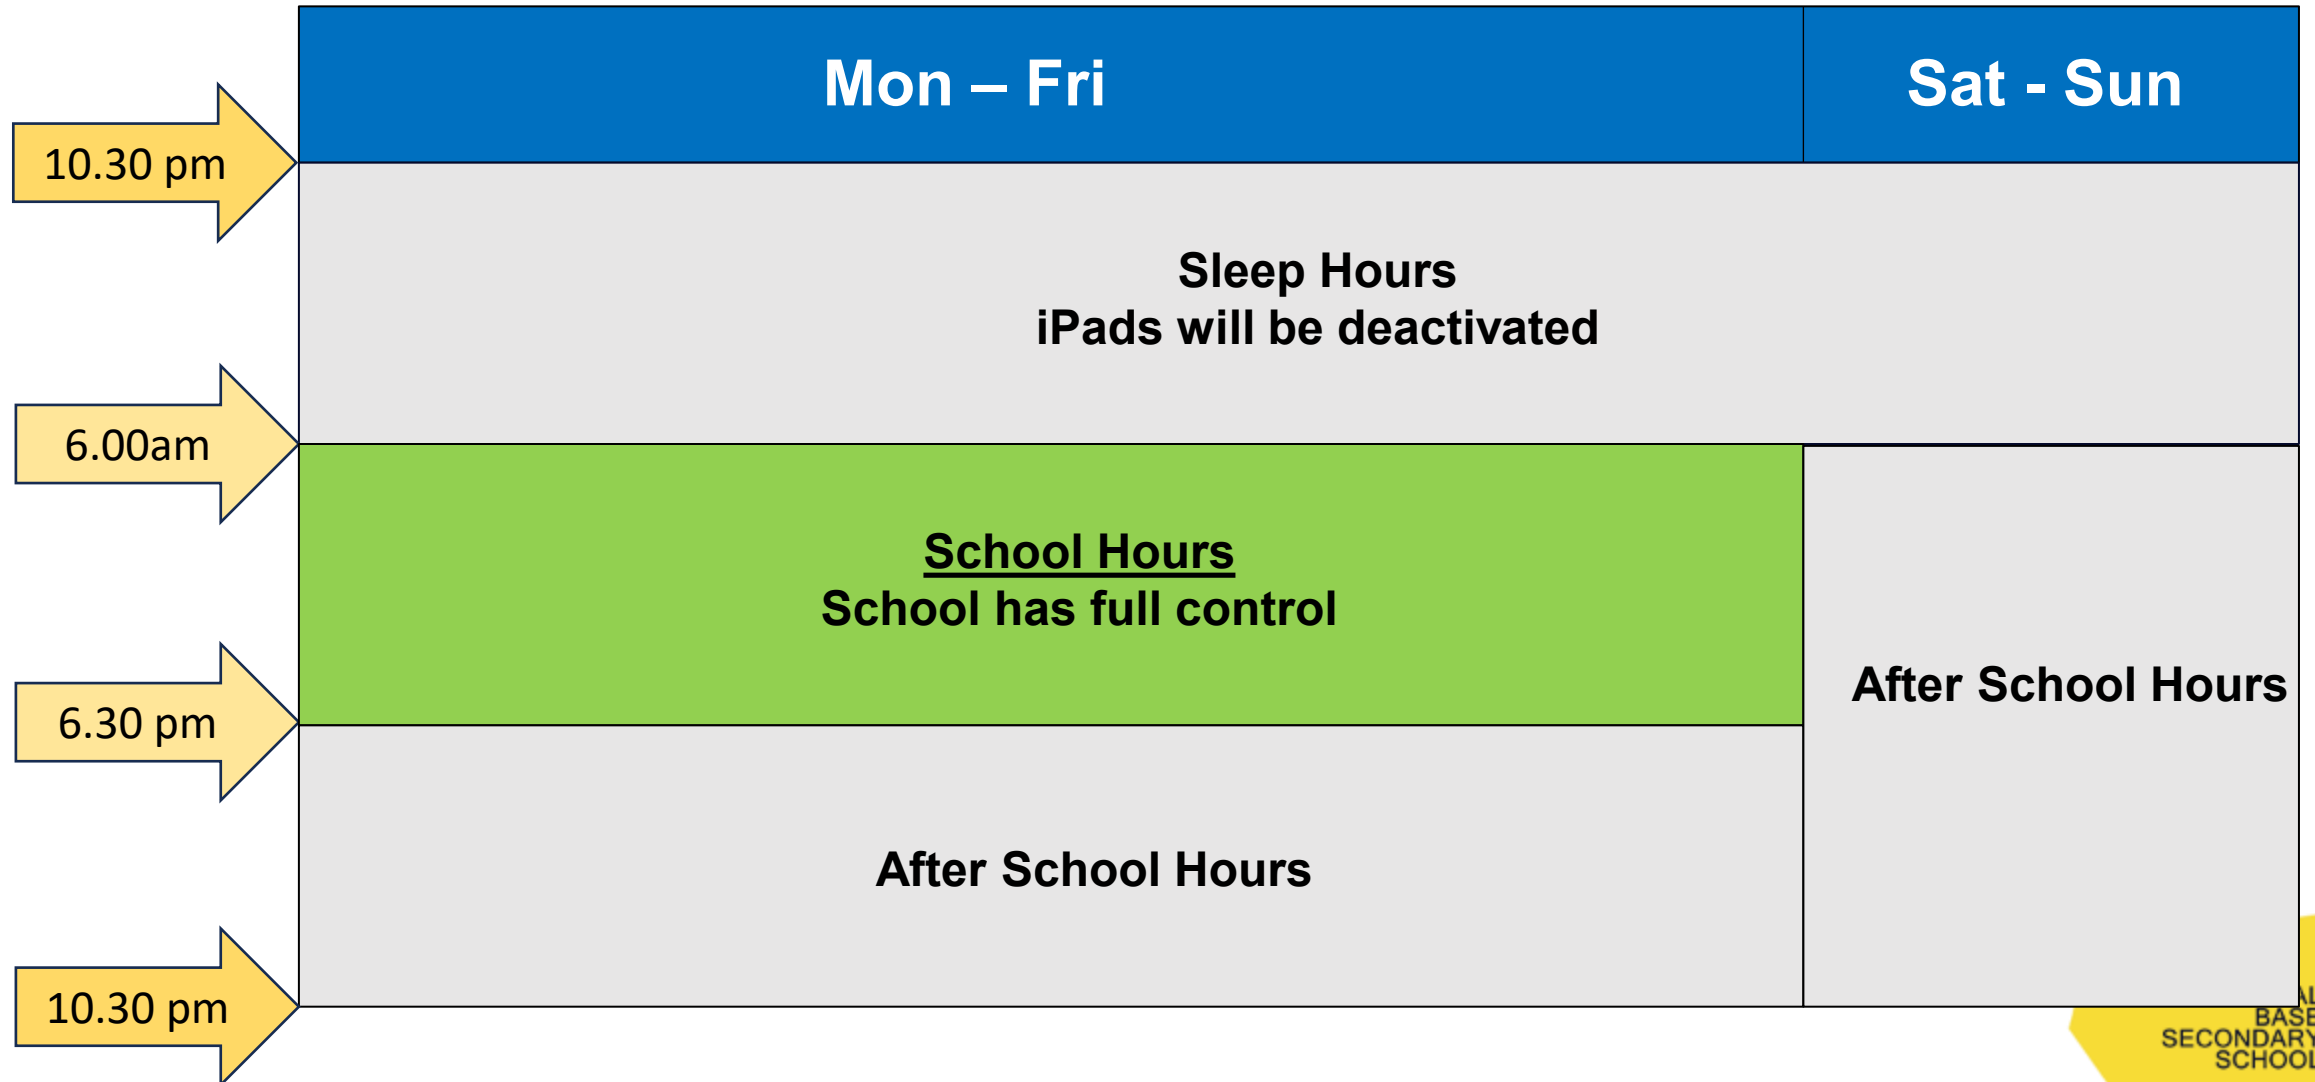

- ✓ **Connect seamlessly to the school Wi-Fi**
- ✓ Provide a safer digital environment for learning
- ✓ Remotely deploy T&L apps and security patches
- ✓ Enable teachers to monitor and control students' screens
- ✓ Promote cyber-wellness and limit screen time
- ✓ Installation of the DMA will be performed after collection of PLD
- ✓ DMA will be funded by MOE and will be uninstalled when your child graduates/leaves the school

Data Privacy

The DMA does **NOT** collect any of the following data:

- Login IDs and passwords entered into websites or into any applications
- Actions performed (e.g. posts, online comments, items added to a shopping cart, etc.) when visiting websites and using apps
- Documents and photos stored in the PLDs
- **Exact PLD location**
- Videos and microphone recordings

DMA Overview

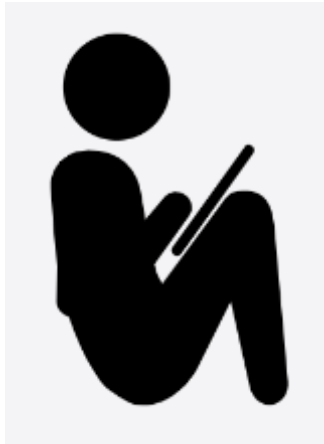

Details of After-School DMA Parent Options

	Default	Option A (Parents can modify DMA settings)	Option B (Disable DMA settings)
Web content filtering	MOE & School sets level of filtering	Parents/Guardians will be able to include additional web content filtering by submitting a request to the school.	No content filtering at all after school hours.
Control of applications	Parents/Guardians cannot install additional applications	Parents/Guardians can install additional applications*	Parents/Guardians can install additional applications*
Limit screen time	School sets limits (6 am to 10.30 pm)	Parents/Guardians can modify limits to screen time after school hours	No limits to screen time

Access of Information

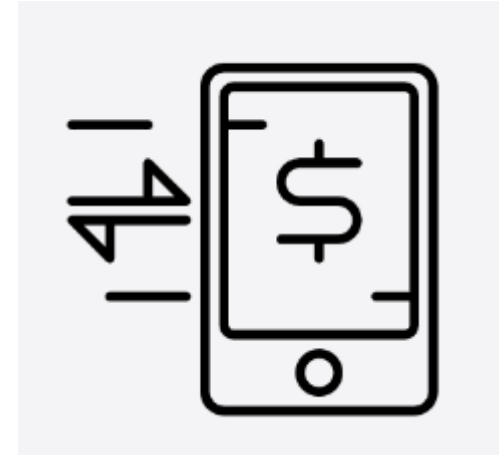

Detailed information on the following will be posted on the school website as well as Parents Gateway:

*How your child
will use the
device*

*Safe and effective
use of devices
(including the Device
Management App)*

*Materials used
for the Briefing*

What's Next?

For Singapore Citizens (SC) Students

Time Frame	Activity
By latest 9 Jan 2026	Submit the following (found in Parents Gateway) (a) Parental Consent for the Purchase of Personal Learning Device (PLD) by replying “Yes” to the PG message. (b) Standing Order for Use of Edusave Account via FormSG link in PG (*if you prefer hardcopy for the Edusave form, you can get from the admin office)
Term 1 (TBC)	Collection of devices by students

For Permanent Residents / International Students

Time Frame	Activity
By latest 9 Jan 2026	Submit the following (found in Parents Gateway) (a) Parental Consent for the Purchase of Personal Learning Device (PLD) by replying “Yes” to the PG message.
Feb 2025 onwards (TBC)	Parent/Guardian to make payment via Giro/cash upon receiving the school bill.
Term 1 (TBC)	Collection of devices by students

<https://go.gov.sg/nbssdma2026>

Deciding the DMA Options

- Form to indicate the DMA options
 - Default Option (Highly Encouraged)
 - Options A and B
- If possible, we like parents to indicate your choice as early confirmation of these will allow the school to proceed with the purchase of iPads in a timely fashion for our Navalites.

Frequently Asked Questions

Frequently Asked Questions & Answers

1. If my child already has a device, do I still need to buy one from the school?

- No, if the current one meets the school requirements
- Required items: iPad, Apple Pencil (or compatible), portable keyboard
- **Must bring the device for factory reset & DMA installation at school**

2. Can my child share one device with siblings?

- Strongly encourage each student to have their own prescribed device
- PLDs would be used in school daily and for learning after school making sharing impractical.

Frequently Asked Questions & Answers

3. Can students opt not to purchase the device?

- All students must have a PLD for teaching and learning.
- Singaporean students can use Edusave with further subsidies for lower-income households
- Students without a compatible device are encouraged to make a purchase.

Frequently Asked Questions & Answers

4. What is the expected shelf life of the PLD? What happens after the student graduates?

- 3 to 4 years, covering secondary school duration
- School will uninstall DMA upon graduation, restoring full device control to students.
- If student's PLD needs to be installed with DMA in JC/MI, it can be reinstated.

Frequently Asked Questions & Answers

5. What is the recommended minimum specifications / requirements for the iPad?

- It is recommended that if you are using your own iPad, it should be from the iPad 9th Gen (or equivalent model from other iPad lines) and later.
- Apple Pencil and keyboards that are compatible with the iPads being used. You can check the compatibility of Apple Pencil at this link: <https://support.apple.com/en-sg/108937>
